UX DESIGNER

Kodungaiyur, Chennai | dineshv1813@gmail.com | +91 9363276601

SUMMARY

I'm a passionate UI/UX designer currently working in a non-IT role, eager to transition into a design-focused career. With a strong eye for user-centric design and problem-solving, I am to create intuitive and engaging digital experiences. My background in handling structured processes has honed my attention to detail, making me a versatile designer ready to take on new challenges.
